Weekly Vocabulary
Round 2: Week 2

Academic Word: community (n)   /kəˈmjuː.nə.ti/

Meaning: the people who live in a particular area, or a group of people who are considered as a unit because of their shared interests or background

Collocations:
'**local community**'
'**academic community**'
'to **be part** of **a community**'

Examples: There is a strong sense of community at Brunel University London as all departments are based on the single campus.

General English Expression: 'I can't bear…'

Meaning: This is an informal way of saying that you really dislike or hate something.

Example: "I love going on holiday, but I can't bear waiting in airports."
