Weekly Vocabulary

Round 2: Week 6

Academic Word: **research (n)** /rɪ'sɜ:tʃ/

Meaning: a detailed study of a subject in order to discover new information

Collocations: 'to conduct research'
'to undertake research'
'academic research'

Examples: Brunel Language Centre teaches students how to carry out research effectively.

General English Expression:
'Not my cup of tea!'

Meaning: If something is not your cup of tea, then you don't really like or enjoy it.

Example: Travelling by boat is not really my cup of tea. I get seasick!
