

Interdisciplinary Funding Opportunities and Events

ESRC policy fellowships 2021 UKRI

Looking for cultural partners for research?

New toolkit to support interdisciplinary and transdisciplinary research

Scoping law and social justice research priorities—UKRI

Kimposium! The Sequel
14-16 September 2021

Read the latest issue of Leading Edge

1. ESRC policy fellowships 2021—UKRI

ESRC policy fellowships 2021 – UKRI

Apply for funding to spend up to 18 months as an ESRC Policy Fellow, collaborating with a UK or devolved government host. You will: provide research and expert advice on the host’s policy priority areas, including co-designing and delivering research projects and activities.

4. Scoping law and social justice research priorities—UKRI

Scoping law and social justice research priorities—UKRI

Standard eligibility criteria apply to this opportunity as set out in the AHRC research funding guide. We recognise that a range of expertise may be needed to address the broad area of ‘law and social justice’ and the sub-themes we highlight below.

5. Kimposium! The Sequel

14 – 16 September 2021 – completely online

In 2015 we held *Kimposium!* to great success. Now, as *Keeping Up with the Kardashians* draws to a close after twenty seasons, we revisit and renew our feminist thinking about these globally famous women. Renowned and reviled, loved and hated, the Kardashians are quintessential icons of early 21st century celebrity cultures. But this family represents and embodies so much more. Indeed, studying the Kardashians and their products leads to consideration of some of the most pressing social and cultural issues of our time.

Programme details for *Kimposium! The Sequel* will be announced shortly. In the meantime, please *register your interest* in this very special online, international, and multidisciplinary symposium, [here](#).
