Get Ready for 2013/4

Did you know that 2013/14 courses in Bb Learn will have a new look? This includes a new notification **Home Page**, containing 3 notification widgets to students: Course **'Announcements'**, **'What's New'** (for recently uploaded content) & **'Due Date'** reminders. Find out how to prepare your Course, rename, remove or re-structure your new Course Menu links via our [guide](#).

Staff Access

Staff access to 2013-14 Courses has now been 'rolled over' based on 2012-13 staff access and any new updates to module leaders and new teaching staff. If you are still missing Courses in your **My Courses** list for modules you are teaching, please let us know: ltt@brunel.ac.uk

Merging Bb Learn Courses

Would you like to simplify the Bb Learn delivery of academic modules which have the same content - but each cater for a different group of students? Ask the [LTT](#) about the new improved merged course facility being implemented.

Help Me LTT

The LTT launched the "Help Me LTT" tab earlier this year to present all our support resources in one place. We would really like more of you to take advantage of the resources on offer. Find out more about "Help Me LTT" [here](#).
