

## Brunel University Special Collections Events List 2017/18

Special Collections is located at Brunel University Library, on the third floor of the Bannerman Centre. It contains fascinating collections of rare books and archives, available to all for research, study and teaching. The collections cover a wide range of subject areas, including transport history, the Channel Tunnel, working class autobiographies, poetry and dialect, equality and advocacy. Open by appointment Monday-Wednesday.
