MEMORANDUM

To: All level 3 2004/05 students

From: Dr Mohamed Darwish (Level 3 Engineering Project Co-ordinator)
Mr S Currie (Level 3 Multimedia Project Co-ordinator)

Date: 10 May 2004

Subject: 2004/05 Project list

Final year project list for 2004/05 can be accessed through our departmental web page:

http://www.brunel.ac.uk/~eestmkd/pr_lst.html

You are required to go through the list and arrange a meeting (or e-mail) with the appropriate member of staff to discuss the most suitable project in more detail. The list does not contain all the project ideas, so you are advised to contact the appropriate member of staff to discuss with him/her any other project suggestions.

Project ideas from industry are very welcome, but you need to discuss them with a member of staff (within the area of expertise) to make sure that the project is suitable.

Students registered for named degrees are reminded to choose projects appropriate to their degree titles.

Can you fill the form overleaf and return it by Friday 1 October 2004. **The department will assign a project and a project supervisor for you if you fail to return the attached form by this date.**

Thank you.
