Guts Rules

We still need to know what teams want to play so we can make sure there are no clashes with ultimate games. We've got discs and are setting up a pitch.

Object: -To throw the disc through the line of defenders or to cause a drop

Pitch:

Scoring:

- Failure to catch correctly thrown disc
- Opposing team throws incorrectly
- Play to 21 points
- Swap sides at a total of 11 points
- If 20x20, play till 2 points clear

Throwing:

- Stand behind your line.
- Throw only when opposition ready
- Player who last made contact or who caught the disc must throw
- Disc must pass opposite line
 - top side up (less than 90°)
 - in reach of at least one player
 - below player's extended reach (no need to jump. If you DO jump vertically and are in reach of the disc the throw is legal.)

Catching:

- One handed
- Stand with arms apart just touching fingertips.
- Must only touch one part of body at any time

Sequence of play: -First throw, then receive.
