50+ countries represented!

Student home of domicile Y1 & Y2

Brand new facilities

- Brunel's Quad North building is the home of the Medical School –
- Located in the heart of the campus close to all the main student amenities.

State-of-the art learning and teaching facilities include:

- Simulated hospital wards
- Anatomy Centre
- Two clinical skills laboratories
- Communications Skills Centre with 18 technology-enabled consultation rooms
- Student social space
- Medicine Student Support Office

Why are we using TBL at Brunel Medical School?

- Exciting and interactive way to learn
- Learn the scientific basis of medicine, apply the science to clinical practice
- Communicate effectively and work as a team
- High quality recorded lectures

Anatomy

Anatomy Teaching Staff:

- Dr Margaret Gatumu & Professor Peter Abrahams
- 5 or more qualified medics as demonstrators

Practicals

- 1 practical session per week, with preparation learning resources
- State-of-the-art anatomy suite:
 - TV screens for radiographs, histology images and diagrams
 - Table-top light panels for visualising transparent thin slices of materials
 - Adam-Rouilly models
 - Plastinated donor material from Gunther von Hagens Plastinarium in Germany
 - Ultrasound incorporated into practicals

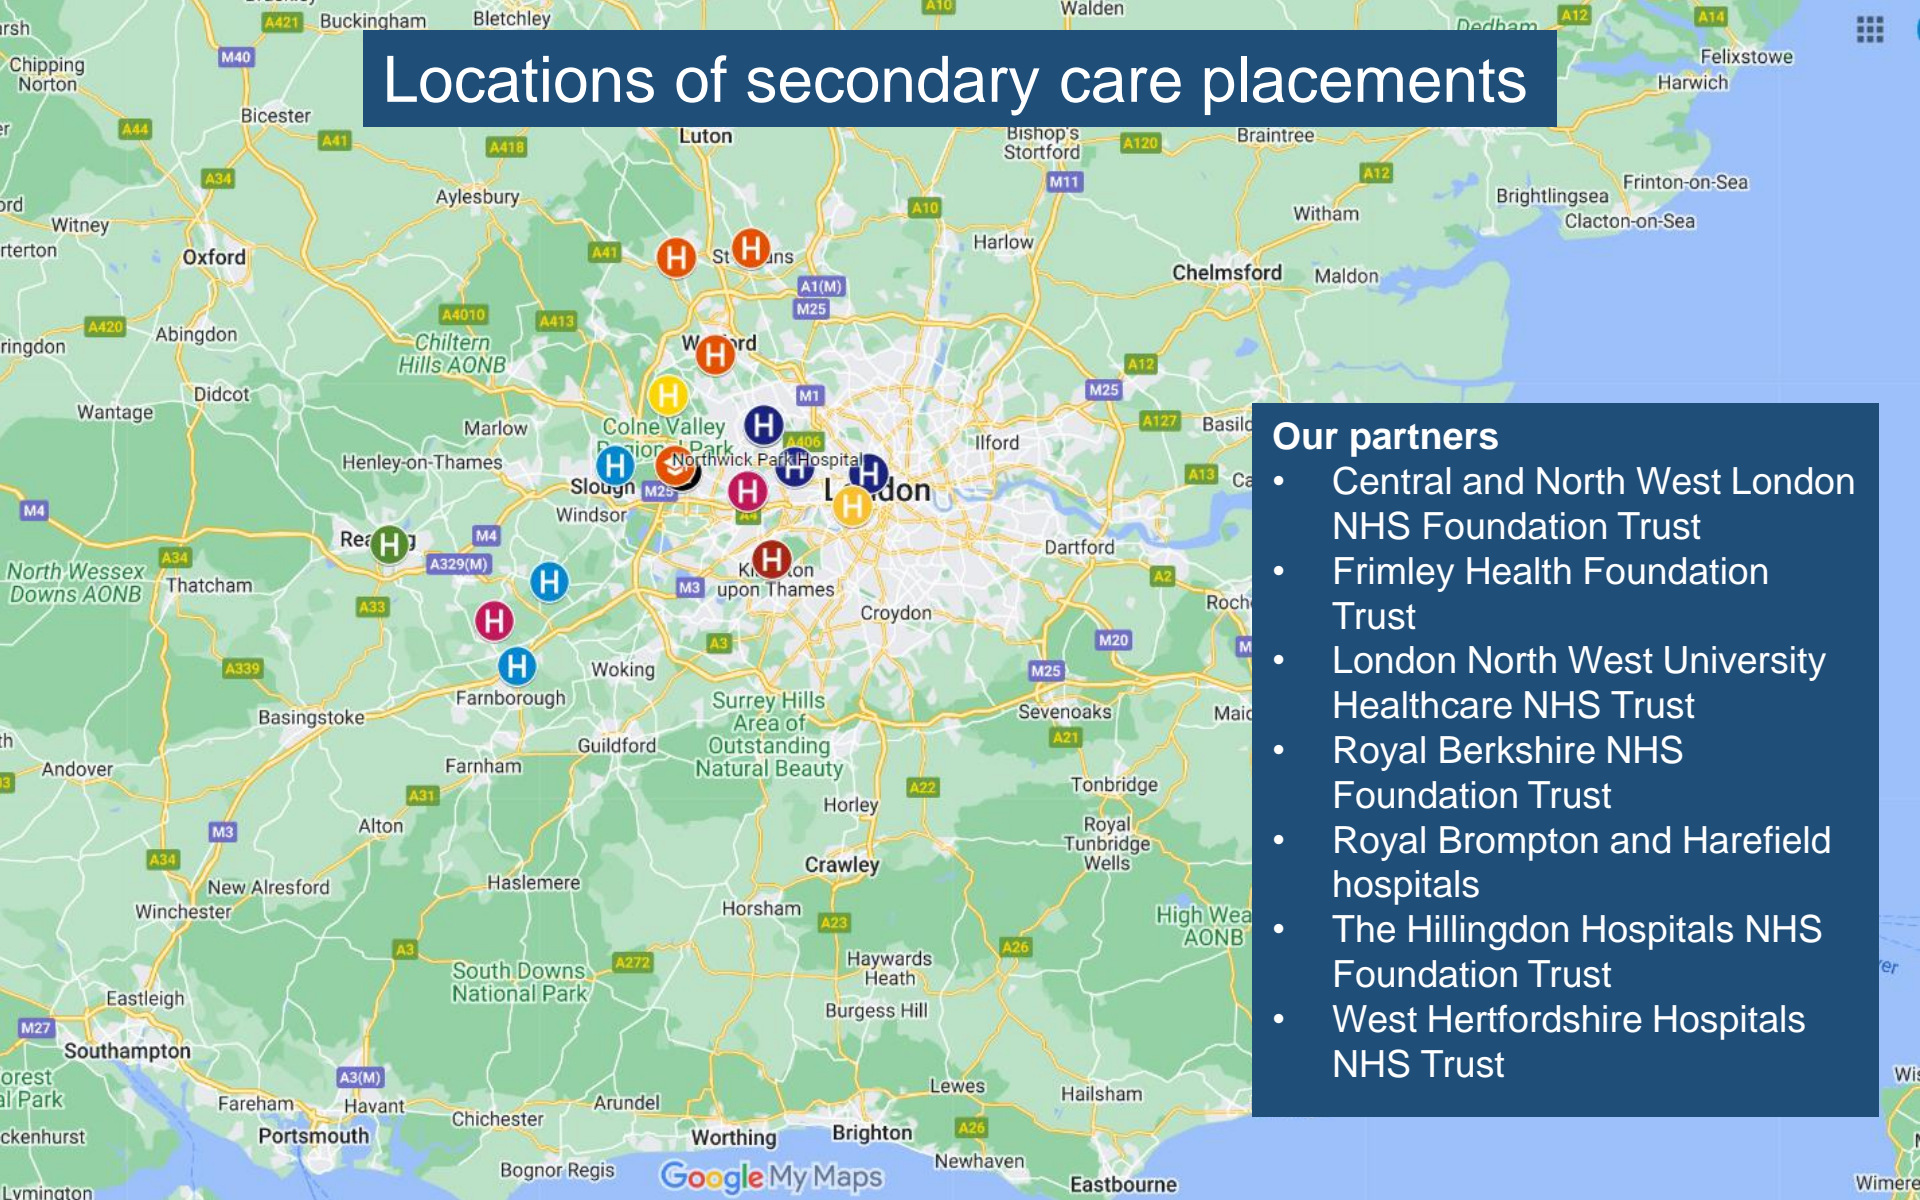

Clinical placements

- Locations across Greater London and the South East
- Leading hospitals and centres of excellence
- Early patient contact
- Placements within 1.5 hours of campus
- Gain hands-on experience with patients under the supervision of leading clinicians
- Locations may include GP Practices, hospitals and clinics, community health centres and specialist areas such as emergency medicine
- Access to diverse patient communities
- Placement team provide support and detailed profiles of each placement

Locations of secondary care placements

- ### Our partners
- Central and North West London NHS Foundation Trust
 - Frimley Health Foundation Trust
 - London North West University Healthcare NHS Trust
 - Royal Berkshire NHS Foundation Trust
 - Royal Brompton and Harefield hospitals
 - The Hillingdon Hospitals NHS Foundation Trust
 - West Hertfordshire Hospitals NHS Trust

How to apply

- Applications for 2024 open both **directly** via our website and through **UCAS** on **5 September 2023**
- **There is no preference in the way you apply**, but applicants who apply directly will have to be processed through UCAS before you can receive your CAS (this is usually done in the summer)
- We recommend students have an additional **£1,300 per month** for other expenditure including accommodation, food, socialising, etc
- Tuition fee, 2024 entry - £49,395
