If an applicant changes mode of study prior to Registration they may apply for a new scholarship and will be assessed accordingly, should scholarships remain available. The applicant will not be guaranteed a scholarship against the new mode of study.

5.3 Changing course: If a student transfers to a course outside the MBA programme the scholarship will be withdrawn.

5.4 Change of employment sector: Employer sector used to determine the scholarship award will be considered at the point of application/enrolment. Any subsequent change to the sector of employment will not be considered for a change in scholarship award.

5.5 Amendment of Fee Waivers: Fee waivers are applied at the start of the academic year as part/all of a scholarship entitlement and will not be amended once the fee waiver has been processed. Any tuition fee liability remaining after fee waivers are applied would therefore be calculated in accordance with the [Student Financial Policy](#).

5.6 Abeyance/Temporary Withdrawal: A student who takes a period of temporary withdrawal (abeyance) and who is in receipt of a scholarship award would cease to receive scholarship payments whilst temporarily withdrawn. Scholarship payments made prior to temporarily withdrawing will not generally be requested to be repaid and remaining payments would generally be paid once the student returns to complete that level of study.

5.7 Suspension of Study: Should a student be suspended for any reason, scholarship payments would be withdrawn and consideration of reinstatement will be dependent on the disciplinary outcome.

Scholarship entitlement is for the maximum duration of each award and entitlement is not extended if overall course duration alters.
