Lancaster Hotel Terms & Conditions

Spa Conditions of use

The term "Spa" refers to the Spa facility as a whole and includes the spa pool, plunge pool, sauna, steam room, the Spa building and any other facilities included therein. This is a private hire facility. We do not have life guards on duty and you are solely responsible for your behaviour and safety whilst using our Spa. We would draw to your attention the safety notices on the walls of the Spa.

Please also see the Safety Considerations and Contra-Indicators regarding medical complaints and guidelines on using the spa facilities. The Spa Pool operates at approximately 38 Degrees Celsius, the Sauna at approx. 100C, the Steam Room at 45C approx., it is therefore important to limit the duration of your sessions and remain well hydrated.

1. Health. Individuals who are pregnant, elderly or suffering from heart disease, diabetes, epilepsy, high or low blood pressure should not use the spa without prior medical consultation and permission from their doctor.

2. Opening hours. The opening hours of the Spa are specific and not flexible. We reserve the right, if necessary in emergencies or for the purposes of repair or maintenance, to alter these hours. We will do all we can to notify you of any changes.

3. Numbers. For your own safety and comfort there are strict limits to how many people should use each treatment at a time. These are as follows: Spa Pool (max 6); Plunge Pool (max 1); Sauna (max 4); Steam Room (max 8). The maximum people allowed in the Spa at 1 time will be 8.

4. Children. Children under 18 may not use the Spa facilities or have access to the Spa at any time.

5. Charges. Our normal rates are per person for each session in the Spa. Ask at reception for more details. Any sport or membership admission to the Spa must be backed up with a relevant identity or membership card.

6. Sauna and showering. It is important that you shower before and after use of the Spa. We use chlorine as an antibacterial agent, which can have a drying effect on the skin and hair. In addition, it is important that you shower after use of the sauna. This is both to remove any toxins from your skin (a natural effect of the sauna) and to help protect the spa equipment. Full showering facilities are only allowed in the changing rooms.

7. Food and drink. Water is freely available in the Spa. You may not consume any food or drink (including sweets and energy drinks) in the spa facility other than that provided by us. You should never consume alcohol when using facilities such as a Sauna or Steam Room.

8. Electrical equipment. Electrical equipment not provided by ourselves may not be taken or used in the Spa building at any time. This includes the use of mobile phones, music equipment and photography of any kind.

9. Smoking. The Spa is strictly non-smoking.

10. CCTV. The Spa area is covered by CCTV cameras and footage from these can be used by the University in evidence of any kind.

11. Check in and security. You are required to check in and register prior to your session. You are responsible for your own behaviour and for the repair or reinstatement of any damage occasioned to our property in the course of your session. The person so named is also required to sign out when they leave the building at the end of the session.

12. Cleaning the Spa. The Spa is cleaned daily with the main clean being outside opening times but there are occasions where we will need to clean certain areas or complete safety checks. During this time staff may briefly need to access the spa or changing rooms.

13. Controls. The equipment controls are pre-set for your own safety and well-being. The Spa runs on a cycle in order to maintain a cleaning program and will go to “standby” for 10 minutes after each use of the jets. Anyone found tampering with the controls will be asked to leave. No refund will be given and a charge will be made for any damage caused.

14. Noise. The Spa is designed to be an area of relaxation and therefore we ask that talking should be kept to a minimum. In the event of excessive noise you will be asked to leave.

15. Hair and dress. Although the Spa is a mixed sex facility we ask that you use the correct designated changing rooms. We require all guests in the Spa to dress in a manner appropriate to the activity being engaged in. Long hair should be tied back and care should be taken not to block the filters or vents.

16. Behaviour. This is an adult relaxation / fitness facility and the facility must be used appropriately. Users of the Spa may not run, jump or dive in the Spa area or facilities. We operate a zero tolerance policy towards rowdiness, rudeness and aggression of any kind. We reserve the right at all times to refuse entry to the Spa, or to remove any guest or party whose behaviour has caused us, our staff or our other guests concern. Such notice will be verbal and you are required in this case to leave immediately. No refund will be given.

17. Damage or accident. Any damage to the Spa or facilities or other accident or injury must be reported to us immediately. Immediately means in this instance before you leave the building at the end of your session. Failure to do so will by necessity invalidate any later claim. The company can accept no liability for accident, injury or misadventure caused by your own actions. Guests are responsible for making their own insurance arrangements in respect of injuries suffered by them or their guests or to any third party.

18. Complaints. We take the running of our business very seriously and we want to hear from you if you have any comments, good or bad, or recommendations for improvements. We can only improve if we listen to what our guests actually want! If you have a complaint or other comments please ask to speak to a member of staff.
