Our courses

Brunel offers more than 110 single and joint honours degrees. Many of our courses allow students to specialise in the areas that interest them the most in their second or third year by selecting a particular pathway.

PREPARE FOR WORK

We have a long tradition of getting students ready for work. Over 80% of our courses offer a work placement and our graduates are among the most employable in the UK, with 95% in a job or further education six months after they leave.

Our Professional Development Centre gives our students an opportunity to attend workshops, webinars, networking events and receive personalised coaching - all designed to develop the transferable skills that are most valued by employers.

Applying for a course at Brunel

All applications for full-time undergraduate courses must be made through the Universities and Colleges Admissions Service (UCAS).

Our institution code is B84 BRUNL.

UCAS allows students to apply for up to five courses per year. If they wish to apply for more than one course with us, typically a separate entry for each choice will need to be made.

A personal statement needs to be included as part of the application.

Key UCAS dates

5 SEPTEMBER

Applications can be submitted to UCAS for September 2019 entry.

15 JANUARY

This is the UCAS deadline for the receipt of on-time applications for both Home/EU and International applicants.

30 JUNE

This is the UCAS deadline for late applications.

5 JULY

Applications after the 30 June automatically go into Clearing, but are considered at our discretion once all on-time applications have been considered.

Applying for the GEMS 10% fee waiver

As this is an automatic award, no separate application is required to be considered for the fee waiver.

To be considered for the award students must meet the following criteria:

- ▶ Currently be studying at a GEMS school
- ▶ Classed as an international fee paying student and be self-funded
- ▶ Hold an offer to study on a full-time undergraduate programme starting September 2019
- ▶ Meet all conditions of their offer by the 15th of August 2019
- ▶ Commence their studies at Brunel University London in September 2019.

The waiver is only applied to the first year's tuition fees.

Brunel University London, Kingston Lane, Uxbridge, Middlesex, UB8 3PH
