

**Academic Grammar with Vocabulary  
(1 hour a week for 5 weeks)**

**Course Aim and Outcomes**

When editing written assignments, you add grammatical accuracy and sophistication.

To do this you will:

- correctly use lexical and grammatical structures that are commonly found in academic writing;
- identify and correct grammatical errors commonly found in student writing.

**Course Content**

Areas covered include: the Academic Word List, collocations, noun phrases, tenses, countable/ uncountable nouns and articles, and sentence errors. There are individual and pair/group work activities with discussion. The emphasis is on proofreading.
