Course Aim and Outcomes
When editing written assignments, you add grammatical accuracy and sophistication.
To do this you will:
- correctly use lexical and grammatical structures that are commonly found in academic writing;
- identify and correct grammatical errors commonly found in student writing.

Course Content
Areas covered include: tenses, the use of the passive, collocations and academic phrases, noun phrases, subordinate clauses, and sentence errors. There are individual and pair/group work activities with discussion.

Materials

Online registration
Online booking is available from Monday January 11.
