

## **Academic Grammar** (1 hour a week for 5 weeks)

### **Course Aim and Outcomes**

When editing written assignments, you add grammatical accuracy and sophistication.

To do this you will:

- correctly use lexical and grammatical structures that are commonly found in academic writing;
- identify and correct grammatical errors commonly found in student writing.

### **Course Content**

Areas covered include: tenses, the use of the passive, collocations and academic phrases, noun phrases, subordinate clauses, and sentence errors. There are individual and pair/group work activities with discussion.

### **Materials**

Provided by your teacher.

### **Timetable and registration**
