Lecture Skills  
(1 hour a week for 4 weeks)

Course Aim and Outcomes
You are able to overcome difficulties that many international students face when trying to understand lectures and participate in discussions.
To do this you will:
- develop strategies to prepare for lectures;
- develop strategies to listen better during lectures;
- develop strategies for improving listening skills.

Course Content
The course includes listening strategies, note-making, identifying main points, and recognizing how lectures are structured.
