Writing Critiques of research articles  
(1 hour a week for 2 weeks)

Course Aim and Outcomes
You can write an effective critique in an academic style.
To do this you will:
- understand the purpose and structure of critiques;
- use reading strategies that are appropriate for a critiquing a journal article based on research;
- display critical thinking in your writing.

Course materials and content
Teaching materials are provided by the teacher. They include analyses of student writing and short written exercises.
