

Writing a Dissertation Proposal (1 hour a week for 2 weeks)

Course Aim and Outcomes

You can write an effective proposal in an academic style.

To do this you will:

- understand the purpose and structure of proposals;
- identify and use language commonly used in proposals;
- display critical thinking in your writing;
- write in an academic style.

Course materials and content

Teaching materials are provided by the teacher. They include analyses of student writing and short written exercises.
