Weekly Vocabulary

Round 2: Week 12

Academic Word: possibly (adv) /'pɒs.ə.bli/

Meaning: used when something is not certain or definite

Collocations: 'possibly explain' / 'possibly contribute to...' / 'possibly allow'

Examples: This theory could possibly explain the economic problems.

General English Expression: 'get your head around something'

Meaning: to understand something difficult

Example: "These maths problems are just so difficult. I can't seem to get my head around them."
