Weekly Vocabulary

Academic Word: interpret (v)   /ɪnˈtɜː.prɪt/

Meaning: to describe the meaning of something or to examine something in order to explain it

Collocations:
'to **interpret data**'
'to **interpret** something **in various ways**'
'**widely interpreted as** something'

Examples: The recent economic trends can be interpreted in various ways.

The problem was widely interpreted as a result of failing to plan.

General English Expression: 'The best of both worlds'

Meaning: This can be used in a situation where you can enjoy the advantages of two very different things at the same time.

Example: Mark works in the city and lives in the countryside, so he gets the best of both worlds.
