

ALLOCATIONS- STUDENT LIVING

Prospective Students Applying for Campus Accommodation 2022/23

ELIGIBILITY FOR CAMPUS ACCOMMODATION AND HOW TO APPLY

Will I get a room on campus?

All new students who have applied and met the conditions of the course and who are holding an Unconditional Firm offer from the University by **31 August 2022** will be offered a campus room. If you apply after **31 August 2022** your application may take a little longer to process, and we cannot guarantee accommodation, but we will do our very best to offer you a room. Please refer to the University Accommodation Allocation Policy for further information at <http://www.brunel.ac.uk/services/accommodation/residence-regulations>

How do I apply for a room on campus?

All applications for campus accommodation are submitted online at <http://accom.brunel.ac.uk/apply>. The first thing you need to do is to create an account to register with us. You will need your Brunel student number (this is the 7 digit number you will have been issued with by Brunel University London), your date of birth and your family name. You will be asked to create a password. Please ensure you have access to your email address for the whole of the summer period, as all of your correspondence will be sent to this email address. Once you enroll at the University, this account will be updated to your Brunel email address and will remain as this during your time at Brunel.

Do I get to choose the room I want on campus?

When you submit your online application you will be asked to make a preference for either an en suite room (private bath/shower room facilities) or standard room (shared bath/shower facilities). You can also submit a hall preference (if the name of a hall is not showing when you make your application it's because this hall is not available for your year of study).

Some halls or types of accommodation are very popular and can become oversubscribed. We will always take your preferences into account and will try to offer your first choice preference, however this cannot always be guaranteed. If we are unable to offer you your first choice, we will offer you an alternative. Please note that, to be fair to all students, each student will only receive one offer of accommodation.

What do I need to do to accept my room offer?

Students will be offered a room once they hold an Unconditional Firm offer with the University. For most of you this will be on the A Level results day in August. You will be notified by email and text that you have been allocated a room (if you have provided your contact details in your online application).

What do I need to do to accept my room offer?

When you are offered a room you will be asked to accept a Licence Agreement online and pay a deposit of £350 (£450 studio/flats), by cleared funds (i.e. card payment or cash) by the deadline date stated on your Licence Agreement. This confirms and secures your booking.

Can I arrive early or late of my agreement start date?

Yes, this is dependent upon availability and terms and conditions. Please complete your early or late arrival request form by logging into your account

When I arrive in the UK I will need to self isolate due to Covid-19?

Please check Brunel's website for it's latest information on Covid-19 guidance and support <https://students.brunel.ac.uk/support/covid-19-support>

Government guidance on quarantining can be found at <https://www.gov.uk/guidance/how-to-quarantine-when-you-arrive-in-england>

I haven't been allocated a room yet and I want to make a room preference/change my room preference?

This is possible as long as you contact Allocations team before you receive your allocation email/room offer. Please email bac@brunel.ac.uk if you wish to make amendments to your room preference.

What do I do if I have been allocated a room but I no longer want it?

We understand that you may change your mind about requiring accommodation on campus. All cancellations must be submitted to Allocations team using the online cancellation request form at <http://accom.brunel.ac.uk/apply>

All students will have seven days (the Initial Seven Day Period) from the payment date of their deposit (the payment date is counted as the first day) to cancel an allocation/room offer and receive a full refund of the deposit (provided the Licence Agreement does not begin within this seven day period).

After the seven-day cancellation period the following single and studio accommodation cancellation charges will apply:

- By 13 June 2022: £100;
- By 21 August 2022: £200;
- From 22 August 2022 the full deposit of £350 (or £450 for studio flats) will be retained by the University to cover the additional administrative expenses incurred in finding a replacement and processing their documentation.

All students from 22 August 2022 will be charged the deposit £350 (single room) charge or £450 (Studio/Flats). The deposit is non-refundable and will be retained by the University to cover the Replacement Cost charge. This includes students attending a University formal placement.

Please note: The above room cancellation charges only apply to new students once they have been offered and paid a deposit for a campus room.
