

British and Foreign School Society.

SAFFRON WALDEN TRAINING COLLEGE.

LIST OF STUDENTS, ARRANGED UNDER YEARS OF ADMISSION.

It has been suggested that Old Students would appreciate the inclusion of both private and school addresses. Should a sufficient number of Old Students send such particulars, an attempt will be made to include them in the next issue.

It may be pointed out, however, that a complete and accurate list of addresses can only be achieved with the assistance of Old Students themselves.

Information should be sent to the Secretary, British and Foreign School Society, 114, Temple Chambers, Temple Avenue, London, E.C.4, for inclusion in the revised List.
