Fun Food Fact

A typical ear of corn has an even number of rows

Uni you Know?

Despite being located in the hustle and bustle of London, Brunel University London has a peaceful retreat nearby. Indeed, Brunel is less than a 10 minute drive to Colne Valley Park and the Grand Union canal.

Sneak peak...

Next month, in partnership with Olio, we are recruiting food waste heroes, who will help distribute the waste on campus.

BRUNEL'S GONE TORTILLY MAD

With the opening of Tortilla, burritos the length of an arm have been appearing all over campus! In the spirit of The Junction's transformation through burrr-itos, the outdoors has been brought inside with the greening of the F.U.E.L counter. For cinema nights, quizzes, new outlets, and everything in-between, read on...

Opening of Tortilla

Its finally here! Tortilla has opened in The Junction (1st floor of Hamilton Building). A VIP event was initially held on the 17th November, whereby invited individuals could receive a free meal. On the 18th November Tortilla opened to all staff and students. In alignment with Taste Kingdom habits, further giveaways including a 'buy one get one free' offer and free burritos were handed out. Hundreds of goodie bags were distributed to students who followed Taste Kingdom on one of the socials. Tortilla has proved to be a fantastic addition to campus and students can't get enough of it, especially through receiving a 10% student discount!

F.U.E.L. Table in The Junction

F.U.E.L is our brand new nutrition and sustainability initiative, which identifies dishes on our menus that have gone the extra mile nutritionally and sustainably. These dishes have met a thorough set of criteria designed by our nutritional team. Look out for our F.U.E.L logo which identifies these dishes. Download the Uni food hub app and check out our F.U.E.L section to learn more about how food can help support you throughout your time at uni.

Taste Kingdom & Brunel Residences cinema night

It was our first film night of the academic year! To celebrate 'Thanksgiving' we played the American comedy 'Friendsgiving' on the cinema screen located in The Junction. Students were provided with free popcorn and took advantage of the delicious food on offer at The Junction as they watched the film! Check our socials for the next cinema night showing 'Elf'. Free food and drink will be provided!

Winter flavours are back!

It is that time of year again. Our winter favourites are back! Returning to Costa are... the Black Forest Hot Chocolate and Gingerbread Latte. You can also pick up a KitKat Santa, which is sure to deliver. Bite-Starbucks now includes the delicious Toffee nut latte and peppermint hot-chocolate!

BRU-Q event

This month we hosted the BRU-Q event, which is the Brunel Residences quiz night. Here students have the chance to work together in teams to win a feed the flat Izzis pizza voucher.
