## Non-Stoptober

BY CAMERON FOX

**Students have been hanging to win cinema tickets, enjoying Starbucks seasonal pumpkin drinks and sampling the delicious Feastival dishes from the food van. It's certainly been a month staff and students have been fall-ing in love with!**

### Hang Tough event (dont fall!)

During October Taste Kingdom partnered with Britvic and PepsiCo to host the Hang Tough Event. For this event staff and students had to hang onto a bar for 20 second if they were female and 30 seconds if they were male, which earned them 2 Cineworld tickets. In the spirit of Taste Kingdom, they also received a handful of Doritos, Pepsi's and Tangos, just for taking part in the competition. The winning male held onto the bar for over 1 minute 20 second and female for over 50 seconds. However, none of our students could beat the record held at Manchester being over 2 minutes.

### Foodie ambassador recruitment

Our Foodie Ambassadors help us through engaging with our events, social media, handing out marketing material and much more! In return, we reward our ambassadors with food vouchers that they can redeem at the various different campus outlets. This is a fantastic opportunity for them to become more involved with the university, help enhance the student experience and save a little money on food in the process. We have been recruiting our ambassadors during the 'Hang Tough' Event and through social media. However, we are still recruiting! So, if you know anyone who may be interested, give Taste Kingdom a message on Instagram or Facebook or listen out for our next recruitment event.

### Starbucks competition

With the reintroduction of the seasonal Pumkin Coffee's in Bite (serving Starbucks coffee) we launched a challenge whereby individuals had to nominate a mate who has yet to try this range. Our winner was delighted with her free Starbucks tickets and loved the new Punmpkin Spice flavour.

### Feastival food van is back!

Feastival is the campus street food van, serving a variety of different street food concepts. We have been inspired by the amazing tastes that can be found upon the streets and have felt compelled to re-create this among our dishes for our staff and students. Each week the food concept changes and is largely inspired by the diversity of international flavours and the demand for vegan, vegetarian and halal dishes (all our meat is halal). Feastival food van is open Tuesday to Saturday between 11:30 - 17:30. Although times can vary weekly, so be sure to check our socials for opening times!
