

Prevent Duty monitoring

Accountability and data return 2018

Provider: Brunel University London

In all cases this data should cover the year from 1 August 2017 to 31 July 2018

Welfare	Number
i) Number of welfare cases referred for specialist advice and support	275
ii) Number of Prevent related cases escalated to the point at which the Prevent lead has become involved	2
iii) Number of Prevent related cases which lead to external advice being sought from Prevent partners	1
iv) Number of referrals to Channel	1
<p>OfS are asked to note that data was not collected in this format before 1 September 2017 and therefore the figure for i) above does not include July 2017.</p> <p>The welfare cases counted here are the ones received through a formal online form by staff. It does not include referrals made by email or telephone about students of concern.</p>	

Events & speakers	Number
i) Total number of events/speakers approved	77
ii) Number of events/speakers approved with conditions/mitigations	18
iii) Number of events/speakers referred to the highest decision in the providers process	0
iv) Number of events/speaker requests rejected	8
<p>Those rejected were largely due to bad organisation on the part of the organisers or the speakers requesting a change of date at the last moment that could not be accommodated. There were no appeals against the rejected requests.</p> <p>Conditions imposed varied from limiting the event to students and staff, pre-registration for the event, stipulating no publicity, requiring a convenor and requesting additional security.</p>	

Training	Number
i) Number of staff identified as key to Prevent Delivery	2601
ii) Number of staff receiving induction Prevent training	584
iii) Number of key staff receiving refresher training	n/a

iv) Number of staff receiving broader welfare/safeguarding awareness training/briefing	3
<p>Brunel University London views that all staff are key to delivering the Prevent Duty. However there are 12 named individuals on the Prevent Working Group.</p> <p>In June 2018 12 staff members received the WRAP train the trainer training. This has allowed us to build a team of internal training facilitators to ensure the continuation of the Prevent training delivery. Brunel does not provide refresher training. Staff are required to attend the main session every three years.</p>
