

## Welcome to Social Work at Brunel

**A great opportunity to meet new people and learn about life at Brunel.**

We have a fantastic programme of Welcome activities for you to take part in from 12 September through to 1 October 2021. It all starts with a series of social events to help you meet new people and learn more about the campus. From 20-24 September, our [GetUReady Transition Week](#) will give you advice on everything you need from essay writing to settling into student life. Before finishing with Welcome Week itself, running from 27 September to the start of term on 1 October.

You can view the full list of events and activities throughout the three weeks [here](#) – click on the drop-down menu in the top left to filter between social, careers, support, your subject and more.

Your personalised programme of activities will be available on the **Welcome app** soon – giving you the chance to select the events you would like to attend. You'll also be able to use the app to find your way around campus, join or access virtual sessions, and take part in various competitions across campus. We'll be emailing you shortly with instructions on how to register.

In the meantime, check out Your Welcome Week timetable for **Social Work** - full of activities to help you find out more about your subject, meet your tutors and other students on your course.

For more information on other events taking place during Welcome Week, see the full programme below with everything from Fresher's Fayre to talks on how to access our support services.

What a year it's been – we can't wait to welcome you to Brunel!
