Bachelor of Medicine, Bachelor of Surgery (MBBS) (Brunel Medical School)	<p>Visits to Hospitals and GP Practices Brunel Medical School (BMS) students complete clinical placements in Primary Care, Secondary Care, Community Care, and Mental Health over the course of the 5-year Medicine MBBS course. Year 1 and 2 placements are primarily in Primary Care, with the majority being close to campus. Students in Years 3 - 5 are assigned to NHS hospitals in and around London, as well as Primary Care and Mental Health placements. In addition, at the start of each study module, students spend one week on campus.</p>
