1. GENERAL INFORMATION

Many programmes of study carry additional course-related costs that students will be required to pay in order to complete their course, in additional to the course tuition fees.

Please read this document to see if any additional costs relate to **your** chosen course.

1.1 Placement route programmes

If you have chosen a programme of study that includes a placement, please take note of the following information:

Placement Fees

If your course includes a placement, your tuition fee for the placement year will be:

Undergraduate

- Home students: **£2,010** for a UK placement or **£1,505** for an overseas placement.
- Overseas students: **£2,500** for a UK or overseas placement.

Postgraduate taught

- Placements lasting less than 12 months: **No fee.**
- Home students: **£2,010** for a UK placement or **£1,505** for an overseas placement.
- Overseas students: **£2,500** for a UK or overseas placement.

Placement Travel and Accommodation Costs
You may incur additional costs pertaining to travel and accommodation in relation to your placement. Your College will be able to provide you with further advice and guidance about this as you approach your placement year.

1.2 Costs associated with Remote Learning

To find information about how your course will be delivered, please visit your course page: https://www.brunel.ac.uk/study/Course-listing

Access to a laptop or desktop PC is required for joining online activities, completing coursework etc. You may find it helpful to understand the minimum specification that was recommended in previous years in case this should also apply when you join your course: https://students.brunel.ac.uk/documents/IT-Support/min-laptop-spec.pdf

Information on **computer and laptop availability on campus** can also be found here: https://students.brunel.ac.uk/campus/it-at-brunel/using-our-computers

1.3 Textbooks

Most of the textbooks that accompany each module are available within the University Library or through our online access; however, students may wish to purchase personal copies. Costs relating to course reading lists vary according to course, but second-hand copies of textbooks can be purchased from the Student Union or the from second hand booksellers.

1.4 Student Financial Policy

The **Student Financial Policy** contains information about payment schedules, general degree-related costs and any other fees or charges that might apply during your studies with Brunel.

You can find a copy here:
Policies and documents | Brunel University of London

2. COURSE SPECIFIC INFORMATION

Undergraduate Programmes

2.1 College of Arts, Law and Social Sciences (CALSS)

Course	Additional Costs
BSc (Hons) Anthropology (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken. All students will have access to some funding for fieldwork.
BSc (Hons) Anthropology and Sociology (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken. All students will have access to some funding for fieldwork.
BA (Hons) Creative Writing (Department of Arts and Humanities)	Although library copies of primary texts are generally made available, students may prefer to purchase their own hard copy or e-versions of core materials; this could total an average of up to £90 per year.
BA (Hons) Education (Department of Education)	- Travel costs of £50 associated with compulsory and optional field trips each year. - Travel costs linked to attending 72 hours of placement each year. - Enhanced DBS check*: • DBS applications (completed in the UK): £58.34 • Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. - We recommend students subscribe to the *DBS Update Service*, this service allows individuals to keep their DBS certificates up to date, so you don't have to apply for multiple DBS's and also allows employers to check a DBS certificate status. The service costs £16 per year and you must register for the Update Service within 30 days of a new DBS certificate being issued. More information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change.*

BA (Hons) English (All Pathways) (Department of Arts and Humanities)	Although library copies of primary texts are generally made available, students may prefer to purchase their own hard copy or e-versions of core materials; this could total an average of up to £90 per year.
BSc (Hons) Games Design (All Pathways) (Department of Arts and Humanities)	All students enrolled in Games Design BA and Games Design and Creative Writing BA have 24/7 access to the Games Lab, which is fully equipped with the hardware and software required to complete all coursework and projects. Students also have access to a dedicated game library to support their studies. While the university provides all necessary resources on-site, students may choose to purchase personal computers, software, or games to support their work. Please note that any such additional purchases, including games, software, or hardware used for coursework or projects, will be at the student's own expense.
BSc (Hons) Geography (All Pathways) (Department of Social and Political Sciences)	- Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken. All students will have access to some funding for fieldwork. - There are two compulsory modules that require students to print posters at a cost of approx. £20.
BASc (Hons) Global Challenges (Department of Arts and Humanities)	- Students are expected to complete a mandatory Enterprise Project in Year 3 - an individual internship or a group project with an institution - usually in London. Students would have to cover their commute/travel for this. - Students may also incur costs associated with dissertation research. - Students may also have to pay for poster printing (about £20).
BSc (Hons) Human Geography and Anthropology (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken. All students will have access to some funding for fieldwork.
LLB (Hons) Law (All Pathways) (Brunel Law School)	- After completing your degree, there may be further costs relating to qualifying as a Solicitor or Barrister. For an indication of what these associated costs might be please refer to https://www.sra.org.uk/students/resources/student-information and https://www.barstandardsboard.org.uk/training-qualification/becoming-a-barrister.html - Canadian LLB students may have further costs associated with gaining recognition of their degrees by the NCA and becoming a lawyer in Canada. For an indication of what these associated costs might be please refer to https://nca.legal/

	- All international LLB students who intend to practice law in their home countries should check whether there are associated costs for qualifying as a lawyer in their home countries. - For students wishing to take advantage of the CIArb accreditation and attain the MCIArb status, there is an application fee and an annual subscription fee. The details can be found here: https://www.ciarb.org/media/tlheazxt/membership-subscription-fees-2025.pdf
LLB (Hons) Law (Graduate Entry) (Brunel Law School)	- After completing your degree, there may be further costs relating to qualifying as a Solicitor or Barrister. For an indication of what these associated costs might be please refer to https://www.sra.org.uk/students/resources/student-information and https://www.barstandardsboard.org.uk/training-qualification/becoming-a-barrister.html - Canadian Graduate Entry LLB students may have further costs associated with gaining recognition of their degrees by the NCA and becoming a lawyer in Canada. For an indication of what these associated costs might be please refer to https://nca.legal/ - All international LLB students who intend to practice law in their home countries should check whether there are associated costs for qualifying as a lawyer in their home countries. - For students wishing to take advantage of the CIArb accreditation and attain the MCIArb status, there is an application fee and an annual subscription fee. The details can be found here: https://www.ciarb.org/media/tlheazxt/membership-subscription-fees-2025.pdf

2.2 Brunel Business School (BBS)

Our Undergraduate BBS courses have no expected additional costs for 2026/7.

2.3 College of Engineering, Design and Physical Sciences (CEDPS)

Course	Additional Costs
BSc (Hons) Business Computing (All Pathways) (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
BEng/MEng Chemical Engineering (Department of Engineering)	- Lab coat & other Personal Protective Equipment (PPE): The University will provide a lab coat, gloves, and safety glasses free of charge. If lost or damaged, a replacement lab coat will cost £15. - Field Trips: Students should provide their own wet and cold weather clothing and suitable footwear. Students should check with the Department first to ensure the health and safety requirements are met. - Poster Presentation/Binding Costs: £30-50 per annum.

	- Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
BEng/MEng Civil Engineering (All Pathways) (Department of Engineering)	- Residential Field/Survey Trip: Students should provide their own wet and cold weather clothing. - Personal Protective Equipment (PPE): The Department provides suitable personal protective equipment (e.g. boots, goggles, gloves, lab coat and face masks) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met. - Posters/Binding costs: £30-50.
BSc (Hons) Computer Science (All Pathways) (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
BSc/MDes (Hons) Design (School of Design)	**Computer Requirements** To support your studies, we strongly recommend that all students have access to a personal laptop or desktop computer capable of running industry-standard design, CAD and 3D modelling software. While the University provides excellent computing facilities on campus, having your own device offers greater flexibility for independent study, project work and remote collaboration. **Recommended minimum specification:** • **Operating System:** Windows 11 (Windows 10 minimum). macOS is suitable for many tasks, although some specialist software is only available for Windows. • **Processor:** Intel Core i5 (12th Generation or later), AMD Ryzen 5, or Apple M1/M2/M3 processor. • **Memory (RAM):** 16GB recommended. (8GB is the absolute minimum but may limit performance when working with larger CAD models or multiple applications.) • **Storage:** 512GB SSD (Solid State Drive) or larger for fast performance and sufficient storage for design projects. • **Graphics:** A dedicated graphics card (such as NVIDIA GeForce GTX/RTX or AMD Radeon) is recommended for CAD, rendering and 3D modelling. Integrated graphics are suitable for less demanding workflows. • **Display:** 13-inch screen or larger with a minimum Full HD (1920 × 1080) resolution. Larger, higher-resolution displays provide a more comfortable workspace for detailed design work. • **Webcam and Audio:** Integrated or external webcam, microphone and speakers/headphones for online teaching, presentations and collaborative working. • **Connectivity:** Reliable Wi-Fi together with USB-C and/or USB-A ports, plus HDMI (or an appropriate adapter) for connecting to external displays. **Mac users** Mac computers are suitable for many aspects of the course. However, some industry-standard applications, including **SolidWorks**

	and certain Autodesk software, are only available for Windows. Mac users may therefore need to access Windows through university computer laboratories, remote desktop services, or virtual machine software where appropriate. **Drawing materials** During the first year, students will be asked to purchase a selection of drawing materials and modelmaking equipment, including sketchbooks, pencils, pens and markers. The typical cost is approximately **£80**. **Workshop materials** A reasonable range of standard workshop materials required for the assessment of students on the programme will be made available through the University's workshops at no additional cost. This includes commonly used woods, metals, plastics, electronics, model-making boards and standard 3D printing materials. Students may be expected to purchase specialist materials only where these are required for an individual major project and are not normally held in stock by the University's workshops.
Economics and Maths with an Integrated Foundation (Department of Mathematics)	It is recommended that students purchase a calculator. We recommend Casio fx calculators. The price for such calculators varies by model, but Casio fx-83 and Casio fx-85 models are usually £10-£25 when purchased from most stationary stores or online.
BSc/MMath (Hons) Financial Mathematics (Department of Mathematics)	- Students will be required to have a calculator, however, which calculators are permitted in exams will be clarified at the start of the course and students should wait to hear that guidance before purchasing specific models. - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations and independent work.
BSc/MDes (Hons) Industrial Design (School of Design)	**Computer Requirements** To support your studies, we strongly recommend that all students have access to a personal laptop or desktop computer capable of running industry-standard design, CAD and 3D modelling software. While the University provides excellent computing facilities on campus, having your own device offers greater flexibility for independent study, project work and remote collaboration. **Recommended minimum specification:** • **Operating System:** Windows 11 (Windows 10 minimum). macOS is suitable for many tasks, although some specialist software is only available for Windows. • **Processor:** Intel Core i5 (12th Generation or later), AMD Ryzen 5, or Apple M1/M2/M3 processor. • **Memory (RAM):** 16GB recommended. (8GB is the absolute minimum but may limit performance when working with larger CAD models or multiple applications.) • **Storage:** 512GB SSD (Solid State Drive) or larger for fast performance and sufficient storage for design projects. • **Graphics:** A dedicated graphics card (such as NVIDIA GeForce GTX/RTX or AMD Radeon) is recommended for CAD, rendering and 3D modelling. Integrated graphics are suitable for less demanding workflows.

	• **Display:** 13-inch screen or larger with a minimum Full HD (1920 × 1080) resolution. Larger, higher-resolution displays provide a more comfortable workspace for detailed design work. • **Webcam and Audio:** Integrated or external webcam, microphone and speakers/headphones for online teaching, presentations and collaborative working. • **Connectivity:** Reliable Wi-Fi together with USB-C and/or USB-A ports, plus HDMI (or an appropriate adapter) for connecting to external displays. **Mac users** Mac computers are suitable for many aspects of the course. However, some industry-standard applications, including **SolidWorks** and certain Autodesk software, are only available for Windows. Mac users may therefore need to access Windows through university computer laboratories, remote desktop services, or virtual machine software where appropriate. **Drawing materials** During the first year, students will be asked to purchase a selection of drawing materials and modelmaking equipment, including sketchbooks, pencils, pens and markers. The typical cost is approximately **£80**. **Workshop materials** A reasonable range of standard workshop materials required for the assessment of students on the programme will be made available through the University's workshops at no additional cost. This includes commonly used woods, metals, plastics, electronics, model-making boards and standard 3D printing materials. Students may be expected to purchase specialist materials only where these are required for an individual major project and are not normally held in stock by the University's workshops.
Mathematics & Computing with an Integrated Foundation (Department of Mathematics)	It is recommended that students purchase a calculator. We recommend Casio fx calculators. The price for such calculators varies by model, but Casio fx-83 and Casio fx-85 models are usually £10-£25 when purchased from most stationary stores or online.
BSc/MMath (Hons) Mathematics (Department of Mathematics)	- Students will be required to have a calculator, however, which calculators are permitted in exams will be clarified at the start of the course and students should wait to hear that guidance before purchasing specific models. - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations and independent work.
BSc (Hons) Mathematics with Computer Science (Department of Mathematics)	- Students will be required to have a calculator, however, which calculators are permitted in exams will be clarified at the start of the course and students should wait to hear that guidance before purchasing specific models. - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations and independent work.
BSc (Hons) Mathematics for Data Science	- Students will be required to have a calculator, however, which calculators are permitted in exams will be clarified at the start of the

(Department of Mathematics)	course and students should wait to hear that guidance before purchasing specific models. - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations and independent work.
BSc/MDes (Hons) Product Design Engineering (School of Design)	**Computer Requirements** To support your studies, we strongly recommend that all students have access to a personal laptop or desktop computer capable of running industry-standard design, CAD and 3D modelling software. While the University provides excellent computing facilities on campus, having your own device offers greater flexibility for independent study, project work and remote collaboration. **Recommended minimum specification:** • **Operating System:** Windows 11 (Windows 10 minimum). macOS is suitable for many tasks, although some specialist software is only available for Windows. • **Processor:** Intel Core i5 (12th Generation or later), AMD Ryzen 5, or Apple M1/M2/M3 processor. • **Memory (RAM):** 16GB recommended. Integrated graphics are suitable for less demanding workflows. • **Display:** 13-inch screen or larger with a minimum Full HD (1920 × 1080) resolution. Larger, higher-resolution displays provide a more comfortable workspace for detailed design work. • **Webcam and Audio:** Integrated or external webcam, microphone and speakers/headphones for online teaching, presentations and collaborative working. • **Connectivity:** Reliable Wi-Fi together with USB-C and/or USB-A ports, plus HDMI (or an appropriate adapter) for connecting to external displays. **Mac users** Mac computers are suitable for many aspects of the course. However, some industry-standard applications, including **SolidWorks** and certain Autodesk software, are only available for Windows. Mac users may therefore need to access Windows through university computer laboratories, remote desktop services, or virtual machine software where appropriate. **Drawing materials** During the first year, students will be asked to purchase a selection of drawing materials and modelmaking equipment, including sketchbooks, pencils, pens and markers. The typical cost is approximately **£80**. **Workshop materials** A reasonable range of standard workshop materials required for the assessment of students on the programme will be made available through the University's workshops at no additional cost. This includes

	commonly used woods, metals, plastics, electronics, model-making boards and standard 3D printing materials. Students may be expected to purchase specialist materials only where these are required for an individual major project and are not normally held in stock by the University's workshops.

2.4 College of Health, Medicine and Life Sciences (CHMLS)

Course	Additional Costs
BSc (Hons) Biomedical Science (All Pathways) (Department of Biosciences)	- Poster Presentation Costs: £30-50 - Costs to cover DBS, vaccinations and IBMS Registration Portfolio for students undertaking a placement in an NHS lab will be covered by the host lab and/or the NHS Trust. If not, these will be covered by the University. - Students may wish to consider purchasing a laptop computer for coursework, digital examinations, independent work and in class teaching sessions.
Bachelor of Medicine, Bachelor of Surgery (MBBS) (Brunel Medical School)	**Course-related expenses** Students will incur certain expenses for equipment and travel to clinical placements, (see below required equipment). Therefore, it is important that your financing is organised before accepting an offer at Brunel Medical School. If you're seeking a loan or sponsorship funds from your home country, we advise that this is organised in good time, prior to starting the course. **Visits to Hospitals and GP Practices** Brunel Medical School (BMS) students complete clinical placements in Primary Care, Secondary Care, Community Care, and Mental Health over the course of the 5-year Medicine MBBS course. Year 1 and 2 placements are primarily in Primary Care, with the majority being close to campus. Students in Years 3 - 5 are assigned to NHS hospitals in and around London, as well as Primary Care and Mental Health placements. In addition, at the start of each study module, students spend one week on campus. • Students are responsible for funding their own placement travel, which costs between **£500 and £3,000 per year** (subject to variation). • In years 1 and 2, travel costs are on the lower side. On occasion, a shared taxi may be required. • An NHS Bursary is available for home students in their final year, more information can be found here: Student Services | NHSBSA **Student Selected Component (SSC) Travel** Students may select SSC projects based off campus for example in affiliated NHS trusts. These projects are completed in year 2 of the programme over a 7-week period. Students are expected to fund transport costs, which depend on the location of the SSC and form of transport, but typically could be between **£12-£70 per week.** **Student Elective**

	In year 5 of the MBBS students will have a 7-week elective period incorporating 5 weeks of clinical placement and 2 weeks of vacation. Students' electives may take place either in the UK or abroad. The elective placement is self-funded; the university does not pay for • Travel • Lodging • Insurance **The cost will vary** considerably depending on the location; for example, flights, insurance, health checks and vaccinations will add to the cost. Students seeking a more cost-effective elective frequently look to the UK. **Additional Costs (per annum)** - ***Stethoscopes***: Students need to purchase a stethoscope as part of their medical training. Costs of stethoscopes are approximately **£100** for an entry level Litmann Stethoscope. - ***Lab coats***: The University supplies lab coats. Students may be required to pay **£15** for replacements if lost or damaged. - ***Poster Presentation Costs***: **£30-50** (*subject to variation*). - ***Medical Defence Union (MDU) and Medical Protection Society (MPS) membership***: This is free and compulsory. - ***Laptop***: Students are expected to have a laptop computer to be used for coursework, digital examinations, independent work and in class teaching sessions. - ***Immunisation checking***: All students are required to confirm their immunity and vaccination information to the University. Information can be found at https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking - ***Enhanced DBS check****: a) Students need a valid DBS for the entirety of the course and are required to renew the DBS after 3 years. We recommend students subscribe to the DBS Update Service once they have a Brunel DBS. Subscription currently costs £16 a year and more information can be found here: DBS Update Service - GOV.UK b) Home and Overseas ID check: **professional verifier may charge a fee for this.** • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. **DBS and ID checking costs are subject to change.* - ***Criminal Record Declaration****:* Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London - ***Student Guide to Occupational Health Services*** (by OH Works): Student-Guide-to-Occupational-Health-Services.pdf

BSc (Hons) Nursing (All Pathways) (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs** Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements. Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement. For further details please visit: http://www.thefundingclinic.org.uk/ **Additional Costs (per annum)** **-** *Students will need to purchase a laptop computer* which can be used for coursework, digital examinations, independent work and in class teaching sessions. - *In order to comply with the 'bare below the elbow' policy in practice,* all students (including mental health) will need to purchase a fob watch and also appropriate shoes for work. - *Poster printing:* £20-25 - *Membership of union*; for example, Royal College Nursing: £10 - *Immunisations*: For details please see https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking - *Enhanced DBS check**: • Home fee-paying students completing the application in the UK: ○ DBS application: No charge ○ Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • Overseas fee-paying students completing the application outside of the UK: ○ DBS application: £60.72 ○ ID check: professional verifier may charge a fee for this • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. - We recommend students subscribe to the *DBS Update Service*, this service allows individuals to keep their DBS certificates up to date, so you don't have to apply for multiple DBS's and also allows employers to check a DBS certificate status. This is especially for students undertaking NHS placements that require the DBS to be no older than 12 months in the second year of the course.

	The service costs £16 per year and you must register for the Update Service within 30 days of a new DBS certificate being issued. More information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change.* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
BSc/MSci (Hons) Occupational Therapy (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs** Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements. Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement. For further details please visit: http://www.thefundingclinic.org.uk/ **Additional Costs (per annum)** **-** *Poster printing:* £20-25 - *Uniform*: £70 (Overseas fee-paying students only) - *Membership of Royal College of Occupational Therapists (RCOT):* £61.56 pa - *Food Hygiene Online Training*: £12 - *Immunisations*: For details please see https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking - *Enhanced DBS check**: • Home fee-paying students completing the application in the UK: ○ DBS application: No charge ○ Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • Overseas fee-paying students completing the application outside of the UK: ○ DBS application: £60.72 ○ ID check: professional verifier may charge a fee for this • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications.

	- We recommend students subscribe to the *DBS Update Service*, this service allows individuals to keep their DBS certificates up to date, so you don't have to apply for multiple DBS's and also allows employers to check a DBS certificate status. This is especially for students undertaking NHS placements that require the DBS to be no older than 12 months in the second year of the course. The service costs £16 per year and you must register for the Update Service within 30 days of a new DBS certificate being issued. More information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change.* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
BSc/MSci (Hons) Physiotherapy (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs** Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements. Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement. For further details please visit: http://www.thefundingclinic.org.uk/ **Additional Costs (per annum)** - *Skeleton deposit:* £25 - *Uniform:* approximately £70 (Overseas fee-paying students only) - *Membership of Chartered Society of Physiotherapy (CSP):* £36.72 pa - *Enhanced DBS check**: • Home fee-paying students completing the application in the UK: ○ DBS application: No charge ○ Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • Overseas fee-paying students completing the application outside of the UK: ○ DBS application: £60.72 ○ ID check: professional verifier may charge a fee for this • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications.

BSc (Hons) Psychology (All Pathways) (Department of Life Sciences)	Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions including statistical analyses.
BSc/DipHE Sport, Health and Exercise Sciences (All Pathways) (Department of Sport, Health and Exercise Sciences)	Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions including statistical analyses.

Postgraduate Programmes

2.5 College of Arts, Law and Social Sciences (CALSS)

Course	Additional Costs
MA Art Psychotherapy (Department of Arts & Humanities)	**Mandatory costs** - *Placement Travel*: Cost will depend on the location of placement and form of transport, but typically could be between £10-£30. As far as possible the Department will endeavour to offer placements in London or close to home. - *A minimum of 72 sessions of personal therapy*: Total cost approx. £3000 - Students may wish to purchase additional academic books. - *Immunisation checking*: **All students are required to have a Hepatitis B vaccination and to confirm their immunity and vaccination information to the University. More information can be found at**

	https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking
	- *Enhanced DBS check*:*
	• Home fee-paying students completing the application in the UK:
	  ○ DBS application: No charge
	  ○ ID check: Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*.
	• Overseas fee-paying students completing the application outside of the UK:
	  ○ DBS application: No charge
	  ○ ID check: professional verifier may charge a fee for this service.
	• If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications.
	• Students need a valid DBS for the entirety of the course and are required to renew the DBS after 3 years, alternatively we recommend students subscribe to the DBS Update Service once they have a Brunel DBS. Subscription currently costs £16 a year and more information can be found here: DBS Update Service - GOV.UK
	**DBS and ID checking costs are subject to change*
	- *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
	Optional costs
	- *Membership of the British Association of Art Therapists (BAAT)* is optional but advised. UK Trainee membership is £65 per annum. Details can be found at: https://baat.org/baat-membership/how-to-join/
	- *Student Membership of the European Federation of Art Therapy (EFAT)* is also optional but advised, at a cost of €28,00 (approx. £25). Details can be found at https://www.arttherapyfederation.eu/student-membership.html
	- On completion and subject to passing the programme, *professional membership of the Health & Care Professions Council (HCPC)* is required to practice. More details, including costs, can be found at https://www.hcpc-uk.org/registration/your-registration/fees-and-tax/paying-renewal-fees/
	- *Optional international trips/activities that are not fully funded*: May cost up to £400, though bursaries may be available.
	- *Optional self-funded outings/trips* (e.g. gallery visits): £10-£50 each.

MSc Childhood, Youth and Education (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.
MA Children, Youth and International Development (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.
MA Creative Writing (All Pathways) (Department of Arts & Humanities)	Students may consider purchasing a laptop computer to use for the completion of coursework. Brunel also offers a laptop loan scheme to students: https://students.brunel.ac.uk/campus/welcome-to-it-support/computers-and-laptops-1/laptop-loans-via-lapsafe. While we endeavour to ensure that reading list texts are available from the library, either in printed form or as digital texts, students may wish to purchase their own copies of core texts.
MSc Crime Science, Investigation and Intelligence (Department of Social and Political Sciences)	An additional cost of £120 associated with one of the core modules, which is for the provision of training by an external provider (training in link analysis techniques by the i2 Group).
MSc Criminology (Department of Social and Political Sciences)	- Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken. Funding is available to meet some of the costs of fieldwork. - Travel costs of £50 associated with compulsory and optional field trips for the year. - British Society of Criminology (BSC) Membership: Students may wish to consider BSC student memberships. An annual student membership costs £50 per student.
MA Digital Games: Theory and Design (Department of Social Sciences, Media and Communications)	All students enrolled in the MA in Digital Games: Theory and Design have 24/7 access to the Games Lab, which is fully equipped with the hardware and software required to complete all coursework and projects. Students also have access to a dedicated game library to support their studies. While the university provides all necessary resources on-site, students may choose to purchase personal computers, software, or games to support their work. Please note that any such additional purchases, including games, software, or

	hardware used for coursework or projects, will be at the student's own expense.
MA Dramatherapy (Department of Arts & Humanities)	**Mandatory costs** - *Placement Travel*: Cost will depend on the location of placement and form of transport, but typically could be between £10-£30. As far as possible the Department will endeavour to offer placements in London or close to home. - *A minimum of 72 sessions of personal therapy*: Total cost approx. £3000 - Students may wish to purchase additional academic books. - *Immunisation checking*: **All students are required to have a Hepatitis B vaccination and to confirm their immunity and vaccination information to the University. More information can be found at** https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking - *Enhanced DBS check*:* • Home fee-paying students completing the application in the UK: ○ DBS application: No charge ○ ID check: Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • Overseas fee-paying students completing the application outside of the UK: ○ DBS application: No charge ○ ID check: professional verifier may charge a fee for this service. • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. • Students need a valid DBS for the entirety of the course and are required to renew the DBS after 3 years, alternatively we recommend students subscribe to the DBS Update Service once they have a Brunel DBS. Subscription currently costs £16 a year and more information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London **Optional costs** - *Membership of the British Association of Dramatherapists (BADTH)* is optional but advised. Student membership is free.

	Details can be found at: https://www.badth.org.uk/about-the-british-association-of-dramatherapists/join-us - On completion and subject to passing the programme, *professional membership of the Health & Care Professions Council (HCPC)* is required to practice. More details, including costs, can be found at https://www.hcpc-uk.org/registration/your-registration/fees-and-tax/paying-renewal-fees/ - *Optional international trips/activities that are not fully funded*: May cost up to £400, though bursaries may be available. - *Optional self-funded outings/trips* (e.g. gallery visits): £10-£50 each.
MA Education (All Pathways) (Department of Education)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.

PG Cert Education (Primary and Secondary)
(Department of Education)
	- *Travel costs* to placement schools can vary considerably with personal circumstances, including where you live. The highest cost seen during the last academic year was £30 per day for a student living a long way out of our partnership area; for most students it is considerably less. There are a minimum of 120 placement days in the course; commonly this is closer to 125. The monthly training bursary, for students in receipt of it, is intended to offset the cost of these out-of-pocket expenses. For those students not in receipt of a training bursary, travel will be at their own expense.
	- *Enhanced DBS check**:
	• Home fee-paying students completing the application in the UK:
	  ○ DBS application: £58.34
	  ○ ID check: Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*.
	• Overseas fee-paying students completing the application outside of the UK:
	  ○ DBS application £60.72
	  ○ ID check: professional verifier may charge a fee for this service.
	• If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications.
	• Students need a valid DBS for the entirety of the course and are required to renew the DBS after 3 years, alternatively we recommend students subscribe to the DBS Update Service once they have a Brunel DBS. Subscription currently

	costs £16 a year and more information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London - Please note, PGCE students are required to wear professional dress whilst on placement in schools. - PGCE students may wish to join a professional association and/or teaching union (optional).
MA Intelligence and Security Studies (Department of Social and Political Sciences)	**Distance Learning:** - Students will be required to pay £1300 per year to cover the cost of the mandatory residential element in years 1 and 2. - An additional £200 will be payable in year 2 to pay for training in Open Source Intelligence (OSINT) research skills, delivered by an outside provider. **On campus:** - Students will be required to pay £200 for training in Open Source Intelligence (OSINT) research skills, delivered by an outside provider. • For students on the full-time course: This will be payable in year 1. • For students on the part-time course: This will be payable in year 2 of the course.
PG Cert Intelligence Analysis (Department of Social and Political Sciences)	All students on the PGCert will be required to make a one-off additional payment of £1500: • £1300 of this will cover the cost of the mandatory residential element. • The remaining £200 will pay for training in Open Source Intelligence (OSINT) research skills which is delivered by an outside provider.
MSc International Development and Humanitarianism (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.
MSc Medical Anthropology (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. Potential costs will typically fall within the range of £0 - £2,000, depending on where the research is undertaken.

MSc Political Communication (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. Potential costs will typically fall within the range of £0 - £2,000, depending on where the research is undertaken.
MRes Social Anthropology (Department of Social and Political Sciences)	Fieldwork for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. Potential costs will typically fall within the range of £0 - £2,000, depending on where the research is undertaken.

2.6 Brunel Business School (BBS)

Our Postgraduate BBS courses have no expected additional costs for 2026/7.

2.7 College of Engineering, Design and Physical Sciences (CEDPS)

Course	Additional Costs
MSc Advanced Chemical Engineering (Department of Engineering)	- Lab coat & other Personal Protective Equipment (PPE): The University will provide a lab coat, gloves, and safety glasses free of charge. If lost or damaged, a replacement lab coat will cost £15. - Field Trips: Students should provide their own wet and cold weather clothing and suitable footwear. Students should check with the Department first to ensure the health and safety requirements are met. - Poster Presentation/Binding Costs: £30-50 - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and class teaching sessions.
MSc/PGDip/PGCert Artificial Intelligence (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
MSc Civil Engineering (Department of Engineering)	- For site visits purposes, students would need to provide their own suitable wet and cold weather outdoor clothing and footwear. - The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.

	- A contribution of £200 towards the Constructionarium costs will be required.
MSc/PGDip/PGCert Data Science and Analytics (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
MSc Design for Sustainability and Circular Economy (Brunel Design School)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
MSc Digital Design (All Pathways) (Brunel Design School)	Whilst capable workstations are available in the 24hr workshops, students may consider purchasing a laptop or desktop computer (capable of running Adobe products) to use for coursework, independent work and in class teaching sessions.
MSc Digital Design and Branding (Brunel Design School)	Whilst capable workstations are available in the 24hr workshops, students may consider purchasing a laptop or desktop computer (capable of running Adobe products) to use for coursework, independent work and in class teaching sessions.
MSc/PGCert Engineering Management (Department of Engineering)	If taking module MN5502, there may be a circa £40/student cost for a trip to BMW Mini Plant in Oxford (inclusive of travel).
MSc Financial Mathematics (Department of Mathematics)	Students will be required to have a calculator; however, which calculators are permitted in exams will be clarified at the start of the course and students should wait to hear that guidance before purchasing specific models.
MSc Flood and Coastal Engineering (with Infrastructure Design) (Department of Engineering)	- Lab Coat: The University will provide a lab coat free of charge, but if lost or damaged a replacement lab coat will cost £15. - Field Trips: Students must provide their own wet and cold weather clothing and suitable footwear. - The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met. - For self-funding students there will also be a part contribution charge of £250 towards the accommodation for site visits or lab works.
MSc Human AI Interaction (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
MSc Project and Infrastructure Management (Department of Engineering)	- For site visits purposes, students would need to provide their own suitable wet and cold weather outdoor clothing and footwear. - The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.

MSc by Research Data Science and Analytics (Department of Computer Science)	Students may consider purchasing a laptop computer to use for coursework, digital examinations, independent work and in class teaching sessions.
MSc Statistics with Data Analytics (Department of Mathematics)	Students will be required to have a calculator; however, which calculators are permitted in exams will be clarified at the start of the course and students should wait to hear that guidance before purchasing specific models.
MSc Structural Engineering (Department of Engineering)	- For site visits purposes, students would need to provide their own suitable wet and cold weather outdoor clothing and footwear. - The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.
MSc Sustainability, Entrepreneurship and Design (Department of Engineering)	Students should consider purchasing a laptop computer for use in coursework, digital examinations, independent study, and in-class teaching sessions. In addition, some modules may include fieldwork, site visits, or industry engagement activities. Students may therefore incur additional costs associated with travel, accommodation, or subsistence, depending on the location and nature of these activities. Where possible, efforts will be made to minimise such costs, and further details will be provided in advance.
MSc Sustainable Electrical Power (Department of Engineering)	Additional costs of £15 for poster printing and a contribution of £10 for the technical visits may be required.
MSc Water and Environmental Engineering (Department of Engineering)	- Lab Coat: The University will provide a lab coat free of charge, but if lost or damaged a replacement lab coat will cost £15. - For site visits purposes, students would need to provide their own suitable wet and cold weather outdoor clothing and footwear. - The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.

2.8 College of Health, Medicine and Life Sciences (CHMLS)

Course	Additional Costs
MSc/PGDip/PGCert Advanced Clinical Practice (All Pathways) (Department of Health Sciences)	- Students need to have access to a computer/laptop which can be used for coursework, digital examinations, independent work and teaching sessions including statistical analysis. - Students will incur travel costs to attend the compulsory university attendance days for their specific course. For some this may also require overnight accommodation. - Data collection for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, although in most cases the project can be conducted online. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MSc/PGDip/PGCert Advanced Professional Practice (All Pathways) (Department of Health Sciences)	- Students need to have access to a computer/laptop which can be used for coursework, digital examinations, independent work and teaching sessions including statistical analysis. - Students will incur travel costs to attend the compulsory university attendance days for their specific course. For some this may also require overnight accommodation. - Data collection for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, although in most cases the project can be conducted online. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MRes Antimicrobial Resistance (Department of Biosciences)	Bench fees may be incurred up to a maximum of £1,000 for non-laboratory-based projects and up to £2,000 for laboratory-based projects.
MSc Cancer Research (Department of Biosciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Some students may choose to undertake data collection for the dissertation project external to Brunel. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK is likely to involve subsistence and travel costs. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MRes Cancer Research (Department of Biosciences)	Bench fees may be incurred up to a maximum of £1,000 for non-laboratory-based projects and up to £2,000 for laboratory-based projects.

MSc Cognitive and Clinical Neuroscience (Department of Psychology)	Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions including statistical analyses.
PGCert Enhanced Clinical Practice (Pelvic Health) (Department of Health Sciences)	- Students need to have access to a computer/laptop which can be used for coursework, digital examinations, independent work and teaching sessions including statistical analysis. - Students will incur travel costs to attend the compulsory university attendance days for their specific course. For some this may also require overnight accommodation. - Data collection for the dissertation project may be carried out in the UK or abroad. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, although in most cases the project can be conducted online. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MSc Infection and Antimicrobial Discovery (Department of Biosciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Some students may choose to undertake data collection for the dissertation project external to Brunel. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK is likely to involve subsistence and travel costs. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MRes Infection and Immunity (Department of Biosciences)	Bench fees may be incurred up to a maximum of £1,000 for non-laboratory-based projects and up to £2,000 for laboratory-based projects.
MSc Mechanisms and Therapy in Cancer (Department of Biosciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Some students may choose to undertake data collection for the dissertation project external to Brunel. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK is likely to involve subsistence and travel costs. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.
MSc Mechanisms and Therapy in Infection and Inflammation (Department of Biosciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Some students may choose to undertake data collection for the dissertation project external to Brunel. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK is likely to involve subsistence and travel costs. Potential costs will typically fall within the range of

	£0-£200, but may be higher depending on where the research is undertaken.
MSc Molecular Genetics (Department of Biosciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Some students may choose to undertake data collection for the dissertation project external to Brunel. If research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK is likely to involve subsistence and travel costs. Potential costs will typically fall within the range of £0-£200, but may be higher depending on where the research is undertaken.

MSc Occupational Therapy (Pre-Registration) (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs**
	Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements.
	Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement.
	For further details please visit: http://www.thefundingclinic.org.uk/
	Additional Costs (per annum)
	- *Poster printing*: £20-25
	- *Membership of Royal College of Occupational Therapists (RCOT):* £61.51 pa
	- *Professional exams*: For those wishing to sit the USA NBCOT exam the fee is $540 (online) or $595 (paper). You may also wish to buy the NBCOT Review & Study Guide for $85 StudyPack
	For further information see https://www.nbcot.org/get-certified
	- *Food Hygiene Online Training*: £14.40
	- *Uniform*: £70 (Overseas fee-paying students only)
	- *Immunisations:* For details please visit our website https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking
	- *Enhanced DBS check**:
	• Home fee-paying students completing the application in the UK:
	  ○ DBS application: No charge
	  ○ ID check: Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*.
	• Overseas fee-paying students completing the application outside of the UK:

	○ DBS application: £60.72 ○ ID check: professional verifier may charge a fee for this service. • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. • Students need a valid DBS for the entirety of the course and are required to renew the DBS after 3 years, alternatively we recommend students subscribe to the DBS Update Service once they have a Brunel DBS. Subscription currently costs £16 a year and more information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
MSc Physical Activity and Exercise for Health (Department of Sport, Health and Exercise Sciences)	- Students may wish to consider purchasing a laptop computer which can be used for coursework, independent work and teaching sessions. - Chartered Association of Sport and Exercise Sciences (CASES) Membership: Annual student membership is £26 (if direct debit) or £31 non-direct debit.
MSc Physiotherapy (Pre-Registration) (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs** Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements. Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement. For further details please visit: http://www.thefundingclinic.org.uk/ **Additional Costs (per annum)** - *Skeleton deposit:* £25 - *Uniform:* approximately £70 (Overseas fee-paying students only) - *Membership of Chartered Society of Physiotherapy (CSP):* £36.72 pa - *Enhanced DBS check**: • Home fee-paying students completing the application in the UK: ○ DBS application: No charge

	○ Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*. • Overseas fee-paying students completing the application outside of the UK: ○ DBS application: £60.72 ○ ID check: professional verifier may charge a fee for this • If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications. - We recommend students subscribe to the *DBS Update Service*, this service allows individuals to keep their DBS certificates up to date, so you don't have to apply for multiple DBS's and also allows employers to check a DBS certificate status. This is especially for students undertaking NHS placements that require the DBS to be no older than 12 months in the second year of the course. The service costs £16 per year and you must register for the Update Service within 30 days of a new DBS certificate being issued. More information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change.* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
MSc Psychological Sciences (Conversion) (Department of Psychology)	- Students need to have access to a personal computer / laptop with good broadband connection/internet access in order to access module content, participate in learning activities, complete and submit their coursework and conduct independent research and scholarship. *Alternatively, for on-campus students, Brunel has a short-term laptop loan scheme and there are a large number of computer spaces across the Brunel campus (including the library) that are available to students.* - British Psychological Society (BPS) Membership: Students may wish to consider BPS student membership. An annual student membership costs £33 per year. *However, the first year is free if you are enrolled on a BPS accredited course (both Brunel programmes are accredited) but it is not clear if you take advantage of the free year, if are you committed to some longer subscription.*
MSc Public Health and Health Promotion (Department of Health Sciences)	Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions including statistical analyses.
MSc Registered Nurse (All Pathways) (Pre-Registration)	**Placement Travel and Placement Accommodation costs** Some students that meet the eligibility criteria (click here to view: NHS Learning Support Fund (LSF) | NHSBSA) may be able to claim

(Department of Health Sciences)	the travel and accommodation costs relating to their placements, as determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £500 - £2500 per programme, depending on the location of the placements.
	Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement.
	For further details please visit: http://www.thefundingclinic.org.uk/
	Additional Costs (per annum)
	- *Students will need to purchase a laptop computer* which can be used for coursework, digital examinations, independent work and in class teaching sessions.
	- *In order to comply with the 'bare below the elbow' policy in practice,* all students (including mental health) will need to purchase a fob watch and also appropriate shoes for work.
	- *Poster printing:* £20-25
	- *Membership of union*; for example, Royal College Nursing: £10
	- *NMC Registration Costs*: £120 (this will be required at the end of the programme after successful completion and prior to working as a qualified nurse in the UK) this is also proposed to be increased to £143 per annum - decision will be announced in the spring, and if approved the change will be implemented in October of this year.
	- *Immunisations*: For details please see https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Checking
	- *Enhanced DBS check**:
	• Home fee-paying students completing the application in the UK:
	  ○ DBS application: No charge
	  ○ Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*.
	• Overseas fee-paying students completing the application outside of the UK:
	  ○ DBS application: £60.72
	  ○ ID check: professional verifier may charge a fee for this
	• If your DBS is lost, expires or does not reach you, the applicant/student is responsible for the cost of any future DBS applications.
	- We recommend students subscribe to the *DBS Update Service*, this service allows individuals to keep their DBS certificates up to date, so you don't have to apply for multiple DBS's and also allows employers to check a DBS certificate status. This is especially for

	students undertaking NHS placements that require the DBS to be no older than 12 months in the second year of the course. More information can be found here: DBS Update Service - GOV.UK **DBS and ID checking costs are subject to change.* - *Criminal Record Declaration*: Applicants with an overseas fee status are required to confirm the presence of any offences in their home country. Applicants can complete a Certificate of Good Conduct/in country Police Check or a Statutory declaration, the cost will vary depending on the type of check and your location. More information can be found here: Criminal Record Declaration for Overseas applicants | Brunel University of London
MSc Social Work (Department of Health Sciences)	**Placement Travel and Placement Accommodation costs** Some students who meet the eligibility criteria may be able to claim travel and accommodation costs relating to their placements, as determined by the guidelines set by the NHS Business Services Authority (NHSBSA). Eligibility criteria and guidance can be found here: https://www.nhsbsa.nhs.uk/social-work-students If students are not eligible to claim back travel or accommodation expenses, travel will normally cost between £600 - £3000 per programme, depending on the location of the placements. Students may be allocated a placement which requires them to source local accommodation for the duration of the placement. Students will therefore need to be prepared to finance the accommodation themselves if they are not eligible for reimbursement. As a guide, short-term accommodation costs may range from approximately £150 – £300 per week, depending on location and availability. For further details please visit: http://www.thefundingclinic.org.uk/ If students are not awarded an NHS Business Services Authority Social Work Bursary they will incur travel and in some cases accommodation costs relating to their placements depending on the location of their placements. In some cases, reimbursable costs (where eligible) are subject to caps set by NHSBSA guidance. Students should check current NHSBSA guidance for exact limits: https://www.nhsbsa.nhs.uk/social-work-students UK students who are not awarded a Social Work Bursary may still be eligible for limited support with placement travel costs through their university or other schemes. - Enhanced DBS check*: • Home fee-paying students completing the application in the UK: ○ DBS application: £58.34 ○ ID check: Digital ID or Digital Virtual ID check: £6.00 (payment made in the DBS application portal). No charge if carried out on Brunel campus, £14.36 charge if the ID check is carried out at a Post Office*.

	• Overseas fee-paying students completing the application outside of the UK:
	  ○ DBS application: £60.72
	  ○ ID check: professional verifier may charge a fee for this service.
	• If your DBS is lost, expires or did not reach you, the applicant/student is responsible for the cost of any future DBS applications.
	*DBS and ID checking costs are subject to change
