Important information – please read

- All students are required to keep their Update Service subscription valid for the entire duration of their course. If your subscription lapses you must inform the University DBS Team by emailing DBS@brunel.ac.uk
- You are responsible for keeping your Update Service subscription valid. If your subscription lapses or you decide to cancel your subscription you must alert the DBS Team so that we can make arrangements to carry out a new DBS application for you. You will not be allowed to proceed on to any placement without a valid DBS carried out by Brunel or valid DBS Update Service subscription.
- If you go on to obtain a new DBS and transfer your subscription to the new DBS. It is your responsibility to let the University know. If you do not, we will check your subscription on the original DBS (which will be no longer valid) and you will not be allowed to go on to your placement until this matter is resolved. Please note that you will need to complete a new consent form and provide a copy of your new DBS Certificate.
- If the Update Service indicates that there is information on your DBS Certificate that was not previously declared, you will need to speak with the DBS Manager to explain this discrepancy, and apply for a new certificate at your own expense. A Criminal Convictions Panel will then need to decide if you can remain on the course. For full details of the University’s Admissions Policy, please see: http://www.brunel.ac.uk/courses/admissions/admissions-policy
- Brunel University are responsible for verifying your Update Service subscription in order for you to be able to continue with course related placements. If your DBS subscription is not valid you will not be allowed onto any placement until this is resolved.
