

# Immunisation Checking Process

1

- Download the appropriate E-Immunisation Card for your course from the Webpage.

2

- Complete the dates on the E- Immunisation Card.

3

- Once you have completed the card, you will need to scan/take pictures of your Immunisation/Blood test Evidence.

4

- Save your Immunisation/Blood Test Evidence by the appropriate name. E.G. Mantoux Test, 1st Hep B Immunisation etc.

5

- Log into Wiseflow (access details will be shared in Welcome Week) and upload your E-Card and Evidence and Submit.

6

- You will be notified via Wiseflow if you have been cleared for placement. If not, instructions of next steps will be provided for you.
