

Your undergraduate journey

FOR INTERNATIONAL APPLICANTS

1

Choose your Brunel course and register your details with UCAS

Do you have an international advisor? They can assist you with your application.

2

Apply for your chosen course through UCAS

When completing your application, include all your grades and course information (including the modules you're studying) and education history so that we have everything we need to assess your application. If you're using an advisor, ask them to do this for you.

4

Congratulations, you've been made a conditional offer to study at Brunel!

You'll receive an email from us confirming the outcome of your application. If you've applied through UCAS, they will also email you when they've been updated with an outcome.

3

Relax. We're working hard on assessing your application so there's no need to do anything unless we contact you for more information

We'll email you if:

- We need further information in order to assess your application
- Your application has been referred to the academic department for further review
- Your course requires a Skype interview, or you need to submit a portfolio

5

Make your decision

Read your offer email carefully, and consider this offer along with any other offer you receive, to decide which is the right course and university for you.

6

Accept your offer

Once you've decided to make Brunel your firm choice, simply log into **UCAS Track** and accept your offer. If you have an international advisor, they can do this for you.

7

8

Apply for funding in your own country

And don't forget to check whether you're eligible for an **international scholarship** with Brunel. Here's the link to our **scholarships page** which will list all the information you need.

Apply for accommodation on campus

You can apply for accommodation at Brunel as soon as you've received an offer, but you won't be able to book anything until your offer becomes unconditional. No need to worry though, all international students are guaranteed on campus accommodation at Brunel throughout their degree!

9

Meet the conditions of your offer

You'll need to meet the conditions by the deadline given in your offer email before we can issue you with a CAS number (you need this for your Visa application). These may include:

- Uploading evidence of the qualifications you have completed on **MyApplications portal**
- Applying for your **ATAS certificate** and uploading a copy to **MyApplications portal** (only required for some courses)
- Completing a **Length of Study form**
- Paying your **course deposit**

11

Book your accommodation

Once your offer has been made unconditional, you can select your accommodation and pay the deposit. Find out more about our **on-campus accommodation**.

Apply for a Visa

You'll need a **Tier 4 (general) Student Visa** to study in the UK. Once you've met all the conditions of your offer, we will provide you with a CAS number which you can use to apply for your Visa. Please note, we can only issue this three months before your course starts.

12

Complete online registration task 1

This is first stage of registration. Simply log into **MyApplications portal** and complete the registration task assigned to you.

13

Book your airport pick up

We'll send you all the details you need. If you have an international advisor, they can help you with booking this.

15

Complete registration task 2 on campus

The second stage of registration takes place on campus. Find out more about **registration** and don't forget to bring all your documents with you.

Sign up for International Orientation Week

We'll send you all the details you need. If you have an international advisor, they can help you with booking this.

 You can now start your Brunel undergraduate course!
