University  
of London

# Presentations and workshops

## Why Study at Brunel?

Keen to hear more about **Brunel**? We'll highlight the many reasons to apply, from our London campus and facilities to work opportunities, student support and academic research.

## Thinking About Your Higher Education Options:

How to choose the right course and University.

Here we will highlight the many options into higher education factors when choosing a university and course. We will also cover tips on what questions to ask, how to utilise university web pages and platforms.

## UCAS Process

The UCAS process is an integral part in your students higher education process. We will cover a variety of topics and a timeline from when students receive their buzzword, applying to the UCAS hub, tracking their application and UCAS extra and clearing.

## Writing a Great Personal Statement

This talk can be combined with the UCAS process talk and can also be run as workshop. This talk highlights the purpose of a personal statement and what universities look for. We also provide students with a clear structure on how they can showcase their academic abilities, extra curricular activities and transferable skills.

For more tips on how to write a great personal statement, [click here](#).

## Finance and Budgeting

In this session, we will provide an overview of the financial support available to students, including tuition and maintenance fees, student loan repayments, and the latest changes to student loans. We will also talk about the different financial support options available at university (scholarships and bursaries) and provide tips on saving and budgeting as a student.

Find out more about money saving tips on our [website](#).

## Student Life

Hearing from our current students can provide a valuable insight into university life. Hear directly from our student ambassadors about a range of topics such as their transition to university, their course, clubs and societies, making friends, student accommodation and budgeting.

See what our University has to **offer**.
